

Park and Recreation Products Containing Recovered Materials

PARK AND RECREATION PRODUCTS

This list of manufacturers and suppliers of parks and recreation products containing recovered plastic and rubber was prepared to facilitate implementation of the U.S. Environmental Protection Agency's (EPA's) Comprehensive Procurement Guideline (CPG) and to assist customers interested in purchasing and using products containing recovered materials. Some manufacturers provided the names and locations of regional or local suppliers.

Each listing is based on information provided by the manufacturer. Product information was not verified, and no guarantee, expressed or implied, is made as to the accuracy or completeness of the information provided. Inclusion in this listing does not represent an endorsement by EPA.

For information on or copies of the CPG, contact EPA's RCRA Hotline at 800 424-9346 or access EPA's CPG Web site at <www.epa.gov/cpg>.
