

RIGID PLASTICS RECYCLING NO

• No plastic bottles

Recycle all plastic bottles (any number) with "Bottles, Cans and Jars" at drop-off sites, at the curb, or at apartment complexes.

• No plastic bags

• No plastics #1, #3, #4, #6, #7

• No PET #1 or PLA #7 clear clamshell take-out or fruit containers

• No styrofoam

• No food residue or dirt

A small amount of metal such as screws or axles is OK

Do not recycle rigid plastics at the curb!

Bring rigid plastics to:

24-hour Drop-off Sites

- Carrboro Plaza, behind the ABC store
- Cedar Falls Park, Weaver Dairy Rd.
- Hampton Pointe, Hwy 86, Hillsborough
- Meadowmont, behind Harris Teeter
- University Mall, Estes Dr

Solid Waste Convenience Centers

- * Bradshaw Quarry Rd., Efland
- Eubanks Rd, Chapel Hill
- * Ferguson Rd, Chapel Hill
- * High Rock Rd, Efland
- Walnut Grove Church Rd, Hillsborough

*These sites can accept oversized items such as plastic playground slides, kiddie pools, or large plastic drums.

RIGID PLASTICS RECYCLING YES

HDPE #2 and PP #5 plastics that are not bottles.

Rigid plastics include the following:

- Plastic buckets
- Plastic cups-- no #1 Solo cups
- Plastic tubs-- yogurt, margarine, etc.
- Plastic drums -- must be empty, remove both ends
- Plastic flower pots -- larger than one pint only, no dirt
- Plastic nursery trays -- must be rigid, no soft bubble packs
- Black plastic drain pipe--no ABS #7 or PVC #3
- Plastic lawn furniture --no PVC#3
- Plastic laundry baskets
- Plastic hangers -- opaque tubular type only, not clear plastic hangers w/ metal hooks or clips
- Plastic dish drainers
- Plastic garbage cans
- Plastic recycling bins
- Plastic milk crates
- Plastic soda crates
- Plastic pet carriers
- Plastic toys --remove batteries
- Plastic totes and tote lids

Questions about what to do with plastics that are not listed, don't have a resin code or are oversized? Call or email us!
