

RREL SITE REMEDIATION TECHNICAL SUPPORT PROGRAM

Benjamin L. Blaney
Technical Support Branch
Superfund Technology Demonstration Division
Risk Reduction Engineering Laboratory
U. S. Environmental Protection Agency
26 W. Martin Luther King Drive
Cincinnati, Ohio 45268
(513) 569-7406

The Risk Reduction Engineering Laboratory provides a variety of technical support to EPA Remedial Project Managers and other site remediation managers. This poster will highlight some of these support activities in the areas of site-specific assistance and technology transfer, including:

- treatability study assistance
- site-type specific remediation guidance documents
- technology specific documents
- computerized databases

Forms for ordering technology transfer documents will be available.
